

LOVE HEARTS

Written by Mike Blake for the videogame "Hassleheart"

G Em C Em
Love hearts. Long life. Don't ask me why.
I will die, like you, unless I do
G B7
Some awfully nasty things: presents I will bring,
Em Am7 D7
When you stop to feed, I'll oil my machine.
G F C G
Love hearts. Ooooo, love hearts.

I'm made, like you, except it's true
I've got a battery that won't last me.
I'll never burp or fart.
I'm made of metal parts.
But all of that could change, if I had a heart.
Love hearts. Ooooo, love hearts.

Em- B7 Em
Some folks feed on hamburgers,
B7 Em B7 Em
on cigarettes, on crystal meth.
A7
Most can't help themselves, I guess
D7
So they keep helping me.

There's not much you can do.
Accept that this is true:
If you've got a heart,
I'll steal it from you.
Love hearts. Ooooo, love hearts.

I'm bad, I know, but even so,
I'll die, like man, unless I can
Keep killing every day, be it who it may,
You'll be heartless soon,
When you take my bait.
Love hearts. Ooooo, love hearts.

Level: N/A - Generic Themesong
Setting: Anyplace
Situation: Robot heartlessly plans his first kill

Duration: -
Tempo: 85 bpm
